Dear Parents and Teachers,

Our main objective at **Okinawan School of Karate** is to develop well-rounded students, not only in our school, but in society as well.

That is why our school teaches the principles of Black Belt Excellence. Not only do students become black belts in martial arts, but they strive to become academic black belts, and, eventually, corporate black belts or black belt employees. We use the words "black belt" as a metaphor for personal excellence.

In order to monitor our students' progress toward these goals, we respectfully request that you complete the following:
